

# America First: A Clash With Iran

In the wake of the Trump administration's decision to withdraw from the Iran nuclear deal, tensions between the United States and Iran have reached a boiling point. In his new book, *America First: A Clash With Iran*, author John Bolton provides a firsthand account of the events leading up to this crisis.

Bolton, who served as President Trump's national security advisor from 2018 to 2019, argues that the Iran nuclear deal was a "disaster" that only emboldened Iran's nuclear ambitions. He also accuses Iran of being behind a series of attacks on American interests in the region, including the downing of a U.S. drone in June 2019.

## America's First Clash with Iran: The Tanker War, 1987–

Bolton's book is a scathing indictment of the Obama administration's foreign policy, which he argues was based on "appeasement" of Iran. He also criticizes the Trump administration for not taking a more aggressive

approach to Iran, arguing that the United States should have launched a military strike against Iran's nuclear facilities after it withdrew from the nuclear deal.

*America First: A Clash With Iran* is a timely and provocative book that will reignite the debate over the best way to deal with Iran. Bolton's firsthand account of the events leading up to the current crisis is essential reading for anyone who wants to understand the complex relationship between the United States and Iran.

## **Chapter 1: The Iran Nuclear Deal**

In the first chapter of his book, Bolton provides a detailed account of the negotiations that led to the Iran nuclear deal. He argues that the Obama administration made a series of concessions to Iran that were not necessary to secure a deal, and that these concessions only emboldened Iran's nuclear ambitions.

Bolton also accuses the Obama administration of misleading the American people about the terms of the deal. He claims that the administration knew that Iran was not fully complying with the deal, but that it chose to ignore these violations in Free Download to avoid a confrontation with Iran.

## **Chapter 2: The Trump Administration and Iran**

In the second chapter of his book, Bolton discusses the Trump administration's approach to Iran. He argues that the Trump administration has taken a more aggressive approach to Iran than the Obama administration, but that it has not been aggressive enough.

Bolton criticizes the Trump administration for not taking a military strike against Iran's nuclear facilities after it withdrew from the nuclear deal. He also argues that the Trump administration should have imposed more sanctions on Iran and that it should have done more to support the Iranian people in their quest for freedom.

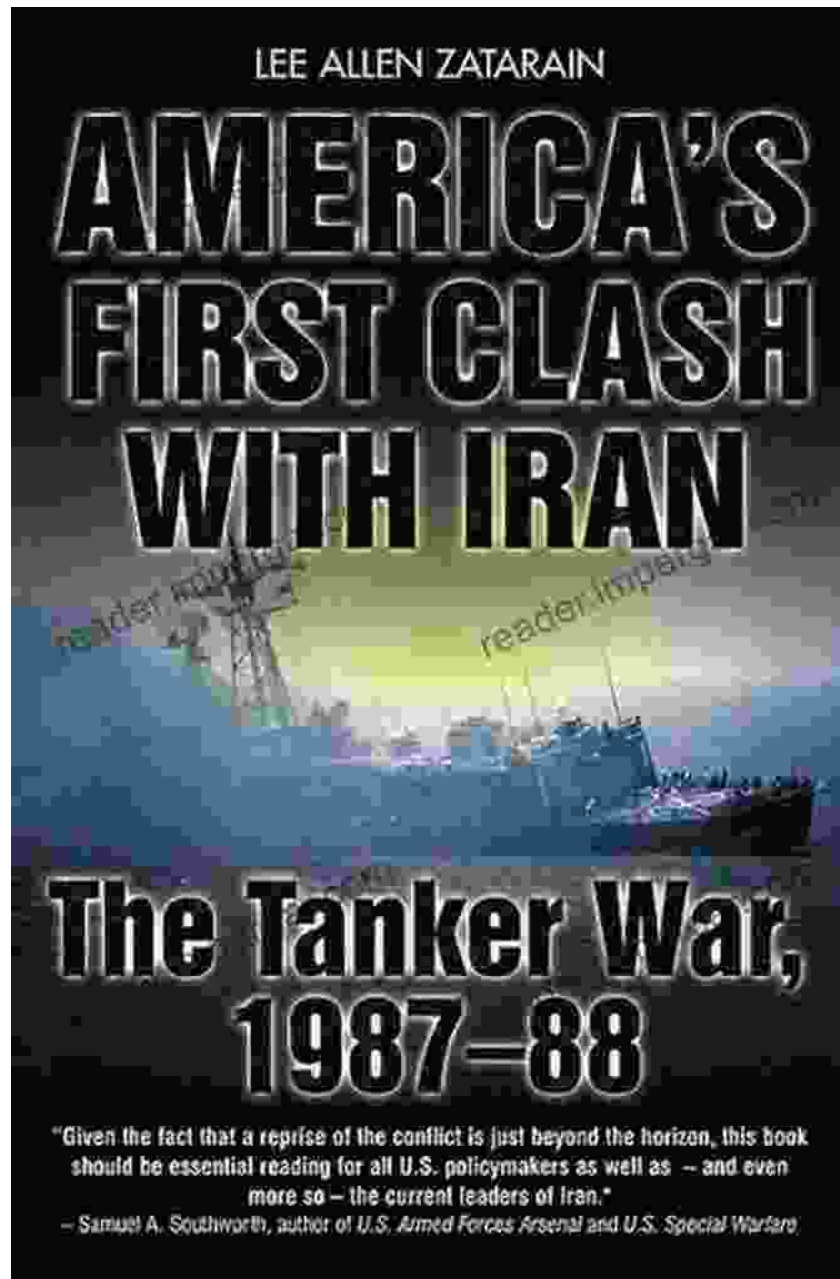

### **Chapter 3: The Future of the U.S.-Iran Relationship**

In the third chapter of his book, Bolton discusses the future of the U.S.-Iran relationship. He argues that the United States must continue to pressure Iran until it gives up its nuclear ambitions and changes its behavior in the region.

Bolton also argues that the United States should work with its allies to contain Iran's influence in the region. He believes that the United States should build up its military presence in the region and that it should support the Iranian people in their quest for freedom.

In his book, *America First: A Clash With Iran*, John Bolton provides a firsthand account of the events leading up to the current crisis between the United States and Iran. He argues that the Iran nuclear deal was a "disaster" that only emboldened Iran's nuclear ambitions, and that the Trump administration has not been aggressive enough in its approach to Iran.

Bolton's book is a timely and provocative book that will reignite the debate over the best way to deal with Iran.
