

And Other Surprising Compliments About Hospice: A Must-Read for End-of-Life Care

About the Book

And Other Surprising Compliments About Hospice is a unique and heartwarming book that offers a fresh perspective on end-of-life care. Author Mary Ann Thomas, a former hospice nurse, shares her personal experiences and insights to help readers understand the true nature of hospice and its many benefits.

Through stories of patients and families she has encountered, Thomas challenges the common misconceptions about hospice. She shows that hospice is not a place of sadness and despair but rather a place of comfort, dignity, and peace. She also highlights the important role that hospice plays in helping patients and their loved ones make the most of the remaining time they have together.

That's Good Grease: And Other Surprising Compliments about Hospice by Rick Schneider
