### Inspiring Quotes With Images From The Classic Beauty Project

The Classic Beauty Project is a photography project that celebrates the beauty of women of all ages, races, and backgrounds. The project was founded in 2014 by photographer Mihaela Noroc, who was inspired to start the project after she saw a lack of diversity in the media. Noroc's goal is to challenge the narrow beauty standards that are often portrayed in the media and to show that beauty comes in all shapes and sizes.
