Only The Valiant is a book that tells the stories of some of the most courageous people in American history. These are the men and women who have been awarded the Medal of Honor, the nation's highest military decoration. Their stories are inspiring and motivating, and they remind us of the sacrifices that have been made to protect our freedom.

The book is divided into five chapters, each of which focuses on a different era of American history. The first chapter tells the stories of the Medal of Honor recipients from the Revolutionary War. The second chapter covers the War of 1812, the third chapter the Civil War, the fourth chapter World War I, and the fifth chapter World War II.

Each chapter is filled with stories of incredible courage and sacrifice. There is the story of Sergeant Alvin York, who single-handedly killed 25 German

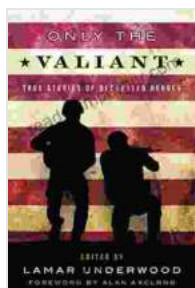

soldiers and captured 132 more. There is the story of Lieutenant John F. Kennedy, who risked his life to save his crewmates after their PT boat was sunk by a Japanese destroyer. And there is the story of Captain Charles Lindbergh, who made the first solo transatlantic flight.

These are just a few of the many stories that are told in Only The Valiant. These stories are a reminder of the sacrifices that have been made to protect our freedom. They are also a source of inspiration and motivation for all of us.
