The book is divided into four chapters, each of which explores a different type of outdoor space. The first chapter, "Public Spaces," features some of the world's most famous parks, including Central Park in New York City, the Gardens of Versailles in France, and the Keukenhof Gardens in the Netherlands. The second chapter, "Private Gardens," showcases a variety of private gardens, from small urban courtyards to sprawling country estates. The third chapter, "Landscape Design," explores the principles of

landscape design, and the fourth chapter, "Garden Design," provides practical advice on how to create your own beautiful outdoor space.

Public Spaces, Private Gardens is a must-have for anyone who loves beautiful outdoor spaces. With its stunning photography and inspiring text, this book will transport you to some of the most beautiful places on earth.
