These massive airships were capable of carrying tons of bombs, and they quickly became a major threat to Britain.

The first zeppelin raid on Britain took place on January 19, 1915. The raid targeted the city of King's Lynn, and it caused widespread panic and destruction.

Over the next few months, the zeppelins continued to raid Britain, bombing cities and towns across the country.

Damage caused by a zeppelin raid on London.

The raids were a major psychological blow to the British people, and they caused widespread fear and anxiety.

The British government responded to the zeppelin raids by developing new anti-aircraft defenses. They also began to develop their own airships.

By the end of the war, the British had developed a number of effective ways to counter the zeppelin threat.

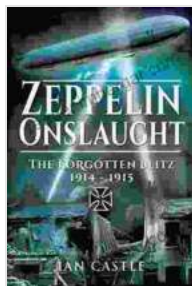

The zeppelin raids of 1914-1915 were a forgotten chapter in World War I. However, they were a significant event in the history of aerial warfare, and they helped to shape the course of the war.
